THE TALL GHOST

"I BET you a dollar," Phil Fox said to Carl Cat, "that you can't climb that tree."

Carl Cat looked at the tree Phil was pointing to. It looked all right to him. It seemed like an easy way to win a dollar, but he knew Phil Fox was tricky, so he asked, "Is it fair? No tricks?"

"No trick," the fox promised.

"I take the bet," said Carl Cat, and he started to climb the tree. But just a little way up the trunk, he slipped down and fell. He tried it *seven times*. Each time the same thing happened; he slipped and fell.

"Ha ha ha!" laughed the fox. "Gimme my dollar, sucker!"

Carl gave Phil his dollar and slunk away into the woods. But he didn't go far. He waited and watched, to see who the next sucker would be, and to try to find out what Phil's trick had been. Soon he saw Benny Beetle come along. When the fox made the bet with Benny Beetle, the same thing happened. The beetle started climbing the tree. Just a little way up, he slipped and fell. After it had happened a *dozen times*, he admitted he'd lost the bet. But he said to Phil Fox, "You played some trick on me. You promised me you wouldn't. I'll get even with you."

But now Phil had two dollars, and he was feeling great. "Ha ha ha!" he laughed. "Sucker!"

The beetle went into the woods, too, where he met Carl Cat. The two of them sat there, hidden, and watched as Sid Squirrel came along

"Bet you a dollar you can't climb this tree," Phil said.

"No trick?" asked Sid, wary of the fox.

"No trick," promised the fox.

So the squirrel accepted the bet, and started to climb the tree. When the same thing happened, Carl Cat whispered to Benny Beetle, "Notice something?"

"Yeah!" Benny whispered back. "We *all* slipped at the *exact same spot!* Phil must've smeared *oil* around the trunk. No wonder we all slipped and fell."

"He lied," Carl said. "He tricked us. Let's trick *him* into giving our money back."

In a moment the third sucker had joined them in the woods. The cat and the beetle greeted him by saying, "Want to get your money back from Phil Fox? Well then, listen," and they explained their plan.

A few minutes later Phil Fox was walking along a path in the woods, whistling happily. The three dollars he'd tricked Carl, Benny, and Sid into giving him felt good in his pocket. He was deciding what to buy with it, when, suddenly, a tall monster stepped out of the woods and halted him. It was all-white and had no face.

"EEEEEK!" shrieked Phil Fox. "A GHOST!"

"Yeah, a *robber* ghost, buddy," a voice said from the top of the creature's faceless head. "This is a stick-up. Gimme all your dough, bud, and make it quick." And something which felt like a gun was pressed into the fox's stomach.

"S-sure. H-Here. P-please d-don't h-hurt m-me!" Phil begged. He handed the three dollars to the ghost.

Immediately there was a burst of laughter. The whole tall ghost collapsed, as Carl, Benny, and Sid jumped down off of each other's shoulders, throwing the white sheet to the ground.

"We know how to play tricks too!" they laughed at the fox. And putting their dollars back safely into their pockets, they hooted at Phil, "SUCKER!"

CHARLES ATLAS
Holder of title, "The World's Most Perfectly Developed Man."

PEOPLE used to laugh at my skinny 97-pound body. I was ashamed to strip for sports or for a swim. Girls made fun of me behind my back. THEN I discovered my body-building system, "*Dynamic Tension*." It made me such a *complete* specimen of manhood that I hold the title, "The World's Most Perfectly Developed Man."

What's My Secret?

When you look in the mirror and see a healthy, husky, fellow smiling back at you — then you'll be astonished at how fast "*Dynamic Tension*" GETS RESULTS! It is the easy, NATURAL method and you can practice in the privacy of your own room — JUST 15 MINUTES EACH DAY. Just watch your scrawny chest and shoulder muscles begin to swell . . . those spindly arms and legs of yours bulge . . . and your whole body starts to feel "alive," full of zip and go!

Thousands are becoming husky — my way. I give you no gadgets to fool with. With "*Dynamic Tension*" you simply utilize the dormant muscle-power in your own body — watch it grow and multiply into real, solid LIVE MUSCLE.
